## INTIMATE WEDDINGS

---

Love conquers all, even pandemics. We know you've had to wait to share your special union with your loved ones which is why we've made it easy for you. We have everything you need for an intimate gathering of up to 20 guests.

Check in to the hotel in the afternoon before your big day, and enjoy a two night stay in our stunning (and romantic) one bedroom preferred view suite – complete with complimentary parking and a delicious box of locally made chocolates.

Relax at our tranquil spa with a \$100.00 gift certificate. The Parkside Spa's signature treatments and products use only the very best that nature has to offer, with your big day in mind. A favorite – The R&R, allows you to become refreshed and rejuvenated with a full body scrub and massage.

Celebrate in one of our beautiful venues that feature lush greenery and natural light; it's your choice of our Atrium or Rooftop Gardens! After your "I do's" pop a bottle of bubbly to share with your guests, or select a signature cocktail to toast to your bright future! Have a light bite and share up to three types of passed canapés with your friends and loved ones.

Keep the celebration going and add an intimate reception. Once again, it's your choice between our 8th floor City Club Lounge or Urban Ballroom, and let Truffles take care of your catering needs! Truffles Catering has been serving weddings in the Vancouver Island community for nearly 20 years, they have crafted a locally sourced and delicious set menu featuring a variety of passed canapés and platters all included in your package!
