SUSTAINABILITY

A member of the Beyond Green collection of hotels and resorts around the world, The Parkside Hotel & Spa has always been focused on its environmental impact. In

partnership with Veritree, for every reservation booked the hotel plants one kelp through Coastal Kelp's project. When guests choose to opt out of housekeeping, 10 kelp are planted. From maintaining a perfect Green Key Global rating of five since 2009 to Carbon Neutral approval by Ostrom, the hotel is Biosphere Certified, continuously working towards the United Nation's 17 Sustainable Development Goals (SDGs). Further green level ranking includes Greenhouse Gas Verified by Synergy Enterprises, TripAdvisor GreenLeader, Expedia Green Leader, BBB4Good Partner and Vancouver Island Green Business Certification. These achievements and designations continue each year.

ABOUT THE PARKSIDE HOTEL & SPA

The Parkside Hotel & Spa is committed to supporting a sustainable urban lifestyle, exploring, and adopting more sustainable practices to enhance the guest experience and ensuring the operation is treading as lightly as possible on the environment.

As a carbon-neutral, all-suite hotel, accommodations at The Parkside feature fully equipped kitchens and kitchenettes, washers and dryers, private balconies, gas fireplaces, separate sleeping areas and plenty of space to relax and unwind.

Amenities include various meeting and event spaces, a wellness centre (featuring an onsite spa, 25-metre indoor pool, hot tub, and fitness centre), a private movie theatre, a rooftop patio with fire pits, along with Tre Fantastico Bistro. Uniquely Parkside—and fondly referred to as the heart of the hotel—the atrium is home to hundreds of plant species and koi.
